\* STEP/PACE activities occur throughout the duration of the course.

\*\* Elective Studies units must include at least two Non-compulsory core KLA units, and may include up to five Curriculum/Discipline Studies units. Students in the Bachelor of Arts/Bachelor of Education (Primary/Early Years) (CC20) must complete a Humanities major either by undertaking Elective units in Christian Studies, thus creating a Christian Studies major, or by undertaking their Elective units in another Humanities area, in which case additional Discipline Studies units may be required to create a Humanities major. Rules regarding majors must be observed in each case (a minimum of 5 advanced units, with at least one of these at 300-level).
