How does your church or group engage with the community in a Christ centred manner?
Pastors, church leaders and other Christians interested in how their church or group can constructively engage their communities in a Christ centred manner are invited to attend a five day presentation entitled “Urban Community Development”

**URBAN COMMUNITY DEVELOPMENT**

Urban Community Development will broaden the understanding of the church and some expressions - community, developing a shared life together, and a life of hospitality - social enterprises, JustGardening, JustCatering, and JustRepair.

Tim Dickau has been a pastor at Grandview Calvary Baptist Church, Canada for 22 years. He is the author of Plunging into the Kingdom Way: Practicing the Shared Strokes of Community, Hospitality, Justice and Confession. He also teaches on themes of Justice, Urban Mission, Pastoral Theology, and Community Development. Tim has been engaged in inner city church planting and community development in Vancouver, Canada and Nairobi, Kenya.
