Policy Provisions:

1. General

- 1.1. CHC Council is the nominated authority for the conferral of awards.
- 1.2. CHC has two conferral periods in each academic year. The mid-year conferral period occurs in July/August, and the end-of-year conferral period occurs in December.
- 1.3. All graduates who are conferred in an academic year are invited to attend the CHC Graduation Ceremony that occurs in December of that year or, for School of Ministries students, the Citipointe Ministry College Graduation Ceremony that occurs in March/April of the following year.
- 1.4. Students must submit an online *Application to Graduate* form by the nominated due date for the relevant conferral period. Only those forms that are submitted by the nominated due date will be accepted for processing unless extenuating circumstances can be demonstrated. It is the responsibility of students to submit the application form by the nominated due date.

- 1.5. *Application to Graduate* forms are submitted in relation to the nominated conferral period. Students who do not qualify for an award in the nominated conferral period must submit another *Application to Graduate* form for a subsequent conferral period.
- 2. Eligibility to Graduate**
- 2.1. In order to be eligible to graduate, a student must be enrolled in a course of study at CHC which leads to an award.
- 2.2. A student is eligible to graduate from an award course upon the completion of all course requirements and the settling of all financial and resource accounts.
- 2.3. The course coordinator determines whether a student has completed all course requirements.
- 2.4. Vice President – Advancement & Operations or delegate determines whether a student has settled all financial and resource accounts.
- 2.5. Academic Board, on advice of a Dean, may waive one or more course requirements for a student where there are exceptional circumstances beyond the student’s control, or where an error has occurred on the part of CHC.
- 2.6. The Vice President – Advancement & Operations may waive some or all financial and/or resource requirements for a student where there are exceptional circumstances beyond the student’s control, or where an error has occurred on the part of CHC.
- 3. Procedure for Conferring Awards**
- 3.1. The Academic Registrar will prepare a Graduation Report for each conferral period that identifies the applicants who are eligible to graduate, and those who are ineligible to graduate, on the basis of their completion of course requirements and settling of financial and resource accounts.
- 3.2. The Graduation Report will be tabled at the relevant meeting of Academic Board for each conferral period. Deans will present the names of eligible students for confirmation by Academic Board.
- 3.3. Academic Board will consider the names of eligible students, and will resolve to recommend the agreed eligible students to CHC Council for the conferral of awards.
- 3.4. Following the relevant meeting of Academic Board, the names of students who are to be recommended to CHC Council for the conferral of awards are consolidated by the Academic Registrar and forwarded to CHC Council via the Council Secretary.
- 3.5. The Academic Registrar will inform students of the outcome of their applications by email.
- 3.6. Where late changes occur, Academic Board may delegate Academic Board Executive its function.
- 4. Conferring of Posthumous Awards**
- 4.1. CHC may posthumously confer a coursework award if a student, at the time of death, was enrolled in units which, if successfully completed, would have met the requirements for the award.
- 4.2. If a student was at an earlier stage of the course, CHC may award a certificate of achievement.
- 4.3. Academic Board will make recommendation to CHC Council for the posthumous conferral of an award.
- 5. Award Testamur**
- 5.1. Students who have an award conferred on them by CHC will be provided with an award Testamur.

- any subsidiary component of the award (such as integrated honours, an area of specialisation or a major study); and
- if any parts of the course of study or assessment leading to the award were conducted in a language other than English, except for the use of another language to develop proficiency in that language.

5.3. Award Testamurs will either be presented to students at the CHC Graduation Ceremony, or sent via Australia Post to the recorded mailing address of the graduate after the conclusion of the relevant conferral period.

5.4. A CHC Testamur is replaced only when a graduate supplies a Statutory Declaration that states the reason for the replacement and, either, declares that the original testamur is no longer in their possession, or surrenders the damaged original testamur.

5.5. Replacement Testamurs bear the date of the original conferral with the wording, "was conferred on ..."

5.6. Replacement Testamurs will be sent via Australia Post to the mailing address supplied by the graduate.

6. CHC Academic Dress
