Learning outcomes	<p>On completion of this unit, students will have demonstrated that they can:</p> <ol style="list-style-type: none"> 1. Analyse different business formation practices and their relative advantages and disadvantages; 2. Explain and apply the four aspects of organizational and resource management in the areas of leading, planning, organizing and controlling as they relate to taxation, legal, financial and human resource issues in small business; 3. Evaluate marketing and growth options; 4. Outline reasons behind small business failures and discuss factors which lead to their success; 5. Critically and independently apply technical and theoretical knowledge to design and justify a small business start-up development plan for a hypothetical organization; 6. Evaluate Biblical Christian worldview in the context of starting up a small business; and 7. Communicate at an appropriate tertiary standard: with special attention to design elements, grammar, usage, logical relations, style, presentation and referencing.
