Joining a Teams Online Meeting (External Users)

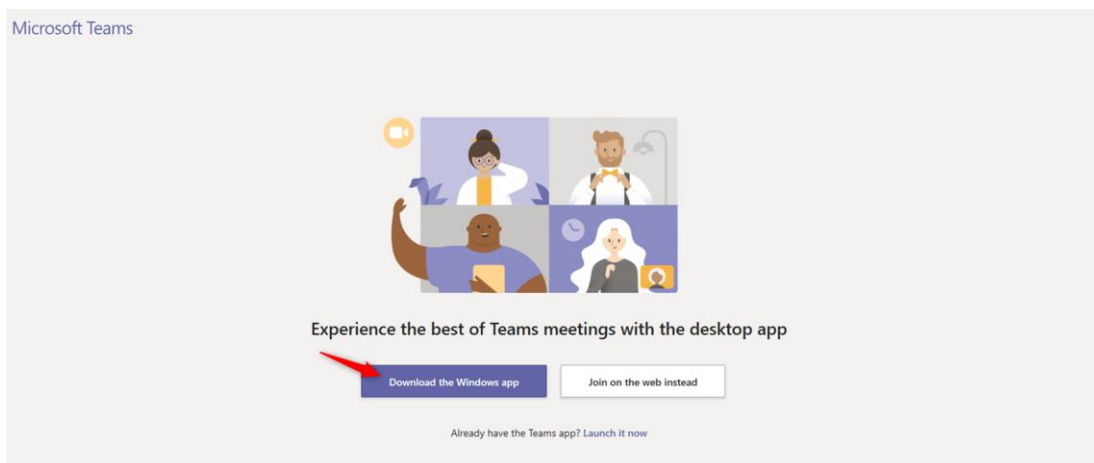

You would've received a Teams online meeting invitation by email from the meeting organiser. You can join the meeting by **downloading and installing the Teams app** via the link provided in the email.

1. Open the email that you have received from the meeting organiser.

Click **Yes** to accept the meeting. The meeting organiser will be notified that you have accepted the meeting invitation by email. Then click on the **Join Microsoft Teams Meeting** link.

2. On the next screen, click on **Download the Windows app** (recommended). (**Download the Mac app** for Mac users).

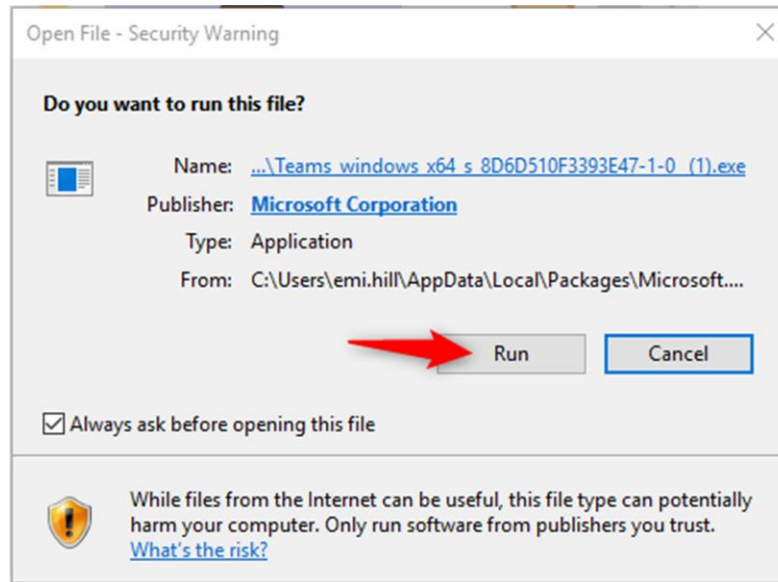

3. Select **Run**.

4. Select **Run** again.

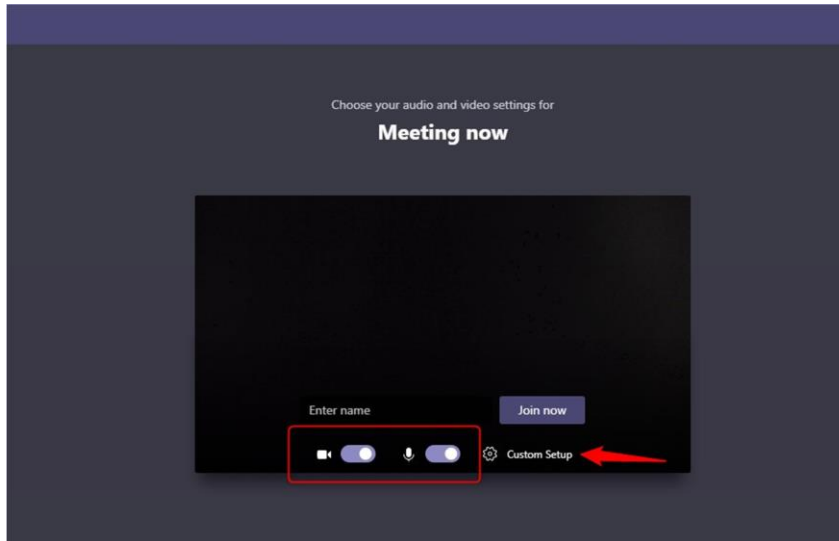

5. Microsoft Teams app will load.

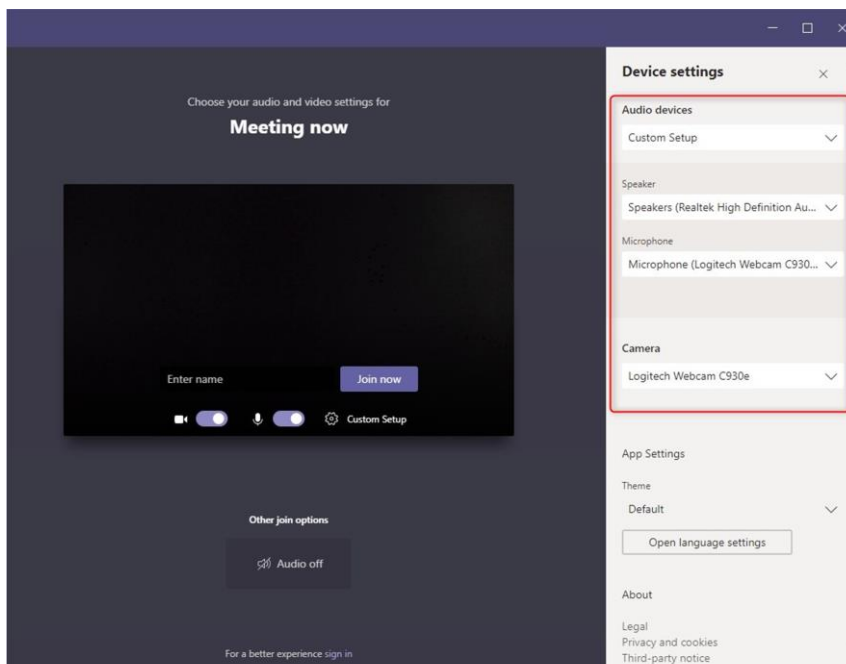

- On the next screen, make sure that the **video** and **microphone** are turned on. Then click **Custom Setup** or **PC Mic and Speakers**.

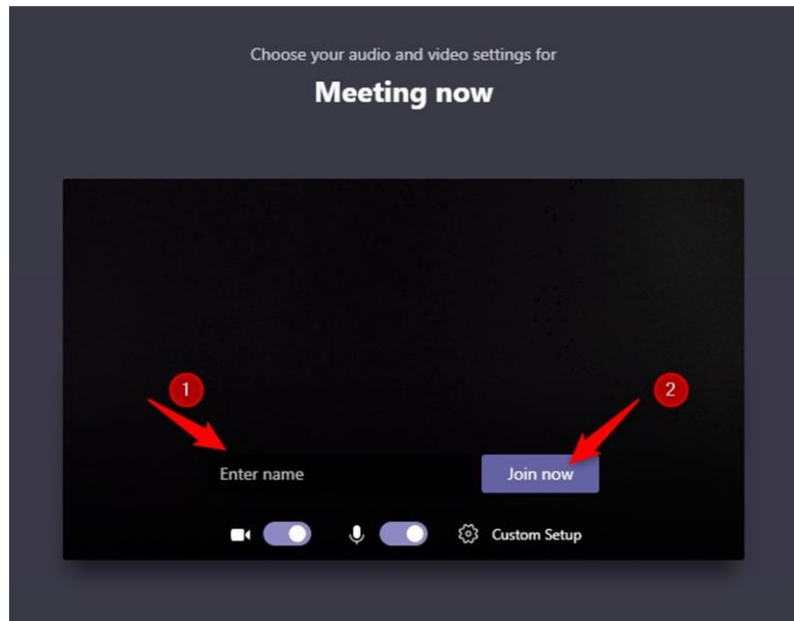

- Select the correct **Speaker**, **Microphone** and **Camera** in the **Device settings**. Close the **Device settings**.

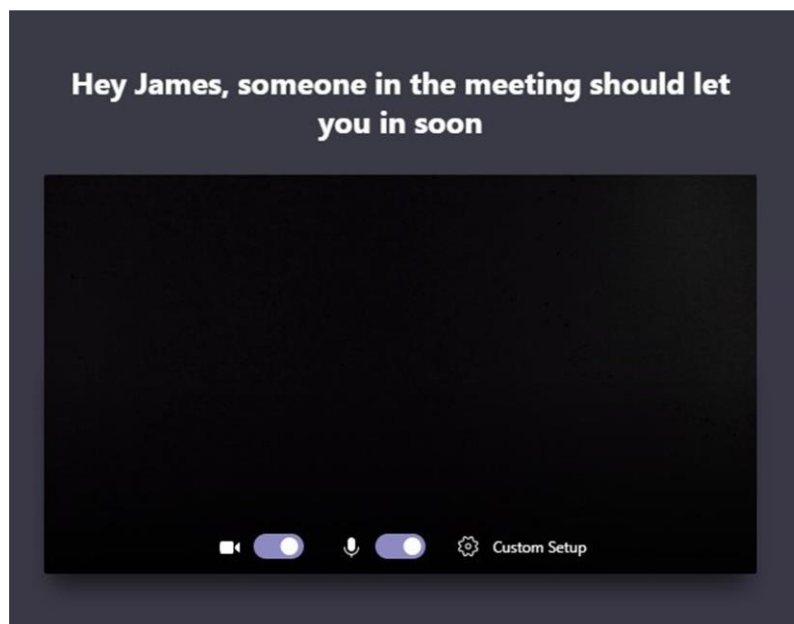

- When you are ready to join the meeting, **enter your name** and click **Join now**.

If you have downloaded and installed the **Microsoft Teams Desktop app** ahead of time and you don't need to join the meeting straight away, please see the **Note** on the last page.

- Once you click on **Join now** and see the message below, wait until the meeting organiser lets you in. Once they let you in, you should see the other participants on your screen and will be able to start the online meeting.
