

UNITS ON OFFER

SEMESTER 1, 2019

This information is made available to current and prospective students to assist with the calculation of tuition fees and student contribution amounts (as applicable) for units of study in Semester 1, 2019. This information should be read in conjunction with the *Unit Costs* and *EFTSL Values for Units of Study* information sheets on the CHC website.

Christian Heritage College (CHC) reserves the right to remove units from offer, in which case CHC will contact students regarding alternative arrangements.

How to use this document

The information that appears on the following pages lists the units that are offered in Semester 1, 2019. The units are presented according to their fields of study, as follows: Business; Christian Studies; Education; Humanities and Liberal Arts; Ministries; and Social Sciences.

The *mode*, *credit points* and *level* are indicated for each unit, as well as the *funding cluster* to which each unit belongs. Please note that funding clusters are relevant only to units that are available to students who are enrolled in initial teacher education courses in Commonwealth supported places.

To calculate the tuition fees or student contribution amount for a particular unit, please refer to the *Unit Costs* information sheet on the CHC website, according to the following guidelines:

- If you are domestic student who is an *Australian citizen, Australian permanent resident, permanent humanitarian visa holder or New Zealand citizen* in a **fee-paying place**, locate the relevant information and table of tuition fees to determine the fees for the unit according to its level (undergraduate 100-level to 400-level; postgraduate 400-level to 600-level) and credit point weighting.
- If you are an *overseas* student in a **fee-paying place**, locate the relevant information and table of tuition fees to determine the fees for the unit according to its level (undergraduate 100-level to 400-level; postgraduate 400-level to 600-level) and credit point weighting.
- If you are a domestic student who is an *Australian citizen, Australian permanent resident, permanent humanitarian visa holder or New Zealand citizen* in a **Commonwealth supported place**, locate the relevant information and table of student contribution amounts to determine the amount for the unit according to its funding cluster and EFTSL value.

The means by which tuition fees and student contribution amounts can be paid are indicated in the relevant sections of the *Unit Costs* information sheet on the CHC website.
